HERO STORY: WEST SIDE YOUTH BASKETBALL & CHEER

“‘The SquadLocker team was amazing to work with. I was able to receive 104 individual orders, with 40+ teams, in 3-5 days! The gear also looked much better than our previous ones. SquadLocker surpassed my expectations and have earned our business!”

COACH MATT R. LEHMAN, FOUNDER & DIRECTOR OF WEST SIDE YOUTH BASKETBALL & CHEER

The Solutions

West Side needed uniforms for their coaches, 96 in total, in 10 short days. With such a short timeframe, West Side utilized specific gear from SquadLocker’s MVP program – custom gear that is delivered in as fast as 5 days. West Side and SquadLocker were able to work together to find the perfect apparel, modernize their logos, and stay in the means of their budget. Within those 10 days, 104 individual orders were sent to the coaches of West Side Youth Basketball and Cheer, just in time to kick off their season.

MVP Apparel (Most Valuable Products)

West Side was in a major rush – they needed coaches’ uniforms ASAP without compromising the quality of their apparel. SquadLocker’s MVP gear is always in stock, comes with hassle-free returns, and arrives in as fast as 5 days. West Side was able to get their gear before the start of their season without worrying about their orders.

Organization Landing Page

West Side wanted an easy way for each coach to access their team’s logos from the league’s website. SquadLocker created a single webpage where each team can find and purchase their gear with its unique logo – without chaos or confusion.

Not only does this concept allow for much more flexibility, but it’s executed well... Everyone I’ve chatted with has been very helpful and kind. Great Experience with SquadLocker!

Launching a new business, designing a logo (or alternative logo in this case), and putting a team store together can be a daunting task. Having a partner like SquadLocker has made a huge difference... Lil’ Ballers Lacrosse (LBL) is looking forward to working with Squad Locker in the years ahead.

- Peter Murphy, Lil’ Ballers Lacrosse (LBL)
Squadlocker is a great way to provide team gear for any youth sports team. The website is easy to navigate, there’s an abundance of options and their customer service is responsive and great to work with. I’ve set up two stores... and it has been seamless!

No matter what sport you coach, or whether you’re part of a large league, or a small community team, it’s important that you stand out as leader and show pride in your team. Pride doesn’t just mean celebrating a rebound, or running extra drills to get the moves just right. It means sporting your team’s colors on and off the field and representing your squad alongside them. And not just any apparel will fit the bill, coach! With SquadLocker you can get your team’s logo printed or embroidered on quality items, from brands you trust, like Nike, Under Armour, The North Face, and more. Let us help you customize the look that sends a message of strength and leadership with apparel you’ll feel proud to wear.
